

Boiada Brazilian Grill Event Packages

We are a traditional Brazilian 'churrascaria', run by Brazilian families. We are passionate about sharing traditional Brazilian food and culture with the Tri-Cities community! Our name 'Boiada' roughly translates to 'cattle' in Portuguese.

A churrascaria is a Brazilian steakhouse which offers guests an authentic Brazilian fine-dining experience. Our full meal service includes twelve cuts of meat and a fresh-market style buffet with thirty additional dishes, including traditional Brazilian sides and American favorites. This is a wonderful option for vegetarians that wish to share in Brazilian cuisine. We also offer a full bar service featuring amazing cocktails (including the Brazilian national drink, caipirinha, a best-seller), and specialty wines.

Once you are seated, your dining experience can begin immediately, trying items from our fresh-market buffet. When you are ready for the meat 'extravaganza' it is time to turn the small disk placed at your table to 'green' and the 'gaúchos' (Brazilian cowboys) will start bringing skewers of meat to carve at your table. This traditional meat serving style is called 'rodízio' or rotation. The gaúchos will serve you as many times as you wish! And don't forget to try the delicious glazed pineapple. Roasted on the grill, this traditional staple is not to be missed! There are also a variety of traditional appetizers and desserts available for separate purchase.

We would love to share this rich and vibrant food experience with you and create a memorable and unique experience for your next special event!
