

Boiada Brazilian Grill Event Packages

KENNEWICK LOCATION

We are a traditional Brazilian 'churrascaria', run by Brazilian families. We are passionate about sharing authentic Brazilian food and culture with the Tri-Cities, Spokane, and Coeur d' Alene communities!

Our name 'Boiada' roughly translates to 'cattle' in Portuguese.

A churrascaria is a Brazilian steakhouse which offers guests a genuine Brazilian fine-dining experience.

Our full meal service includes a variety of delicious meat cuts and a plentiful Fresh-Market Table that represents traditional Brazilian sides and American favorites. This is a wonderful option for vegetarians that wish to share in Brazilian cuisine. We also offer a full bar service featuring amazing cocktails (including the Brazilian national drink, caipirinha), and specialty wines.

Once you are seated, your dining experience can begin immediately, indulging in items from our Fresh-Market Table. When you are ready for the meat 'extravaganza' it is time to turn the small disk placed at your table to 'green' and the 'gaúchos' (Brazilian cowboys) will start bringing skewers of meat to carve at your table. This customary meat serving style is called 'rodizio' or rotation. The gaúchos will serve you as many times as you wish! And don't forget to try the delicious, glazed pineapple. Roasted on the grill, this traditional staple is not to be missed! There are also a variety of traditional appetizers and desserts available for separate purchase.

We would love to share this rich and vibrant food experience with you and create a memorable and unique experience for your next special event!
